

Capital Project Design Review Process

A. Project Types

Capital projects undertaken by the school district are classified as follows:

1. Minor Capital Projects are those with total budgets of \$10 million or less, which include most small to medium scale renovations and/or additions to existing facilities which improve space utilization, modify outmoded spaces for new use, improve accessibility, etc. These projects are typically funded by the Board of Education. This regulation applies to these projects only if the affected building area exceeds 600 square metres.
2. Facility Renewal and Upgrade Projects are funded annually by the Ministry of

Committee for reconsideration.

If requested by the Facilities and Building Committee and/or the Board, a Public Workshop may be scheduled to present design options and solicit feedback for the Committee to consider prior to resubmitting for
