Policy 802.1-R
(previously 1002.1-R)

District Advisory Council

The mandate of the District Advisory Council will be to advise the Board of Education (Richmond) on all matters relating to the operation of the School District. In-camera items such as those having to do with the acquisition or sale of real property or with individual personnel will be dealt with as these items become public.

- a) The Board may request that the District Advisory Council consider and report on a particular matter.
- b) Any member of the Council may request that a topic be considered.

Regulation

The frequency of meetings of the Council or sub-committees of the Council will be decided by its members but there will be a minimum of three meetings each school year (September - June).

- a) A meeting of the Council may be called by:
 - i. the chairman;
 - ii. the chairman, at the request of any twenty members;
 - iii. a majority of the membership;
